PROFESSIONAL SUMMARY

Computer Engineering graduate with experience in full-stack development, IoT systems, embedded programming, and AI-driven applications. Proven ability to develop innovative solutions in automation, data analytics, and real-time monitoring through academic, hackathon, and independent projects.

WORK EXPERIENCE

IT Technical Support Intern, JTEKT Philippines Corporation

June 2025 – August 2025

- Provided technical support and troubleshooting for hardware, software, and network issues.
- Assisted in server monitoring, system maintenance, and IT infrastructure operations.
- Installed and configured computer systems while supporting end users and IT documentation.

PROJECTS

Eco Flow: AI-Powered Smart Greenhouse Management System

2025 - 2026

Technologies: Raspberry Pi 5, ESP32, Python (Flask), SQLite, Scikit-learn, Arduino IDE

- Developed an IoT-based greenhouse monitoring system.
- Implemented AI-powered irrigation scheduling.
- Achieved 94.74% water utilization efficiency.

TugonLipa: AI-Powered Smart Community Platform

Nov 2025

Technologies: AI Integration, Web Development, Chatbot Systems

- Developed a smart citizen reporting platform.
- Automated report categorization and ticket routing.
- Earned 2nd Place in the Hack the Future Hackathon.

NYC Crash Analytics

May 2026

Technologies: PHP, MySQL, JavaScript, Leaflet.js, Chart.js

- Built an interactive crash data analytics dashboard.
- Integrated mapping, filtering, and data visualization tools.
- Implemented API data import and report exports.

EDUCATION

Bachelor of Science in Computer Engineering (Cum Laude)

2022 - 2026

University of Batangas Lipa City
Lipa City, Batangas

Senior High School (with Honors)

2021 - 2022

University of Batangas Lipa City
Lipa City, Batangas

SKILLS

Technical Skills

- Programming: C++, Java, Python, PHP, JavaScript
- Database: MySQL, SQLite, MongoDB
- Tools & Frameworks: Flask, Git, Arduino IDE
- Hardware & IoT: ESP32, Raspberry Pi
- CAD: AutoCAD, Fusion 360, Eagle CAD

Soft Skills

- Communication Skills
- Critical Thinking
- Problem-Solving Skills
- Teamwork and Collaboration

CERTIFICATIONS & ACHIEVEMENTS

- Cisco CCNAv7: Introduction to Networks
- Network Support and Security
- 2nd Place – Hack the Future: Smart Batangas Province Hackathon Challenge
- Participant – ICpEP.SE Region IV-A CpE Challenge 2025 (Breadboarding)
- Participant – ICpEP.SE Region IV-A CpE Challenge 2024 (C++ Programming)
